

Invest in Europe's Top Destination with Your Trusted Partner in Hungary

Invest in Europe's Top Destination

Our Story

Headquartered in Budapest, with solid presence in the Middle East and Africa.

We are a team of professionals who had enjoyed living abroad and acquired extensive experience in Real Estate, Business Development and International Commerce. Above all, we are passionate about Hungary and await the opportunity in assisting you in your journey . Our motto is simple: **We Think Global and Act Local.**

Who we are

Think Hungary is your local Hungarian Business Development Partner that will help you expand your business outside of the EU by building strategic partnerships in Middle East and Africa.

Simultaneously, we assist foreign companies to position themselves in Hungary and make strategic business decisions.

We are your bridge to live, work and travel freely within Europe through property investment in Hungary.

Our Goal

To empower talented individuals with the right to free movement and connect “Made in Hungary” to the world by providing our customers and partners the most reliable experience.

Our professional reputation and integrity are based on mutual trust and the highest ethical standards. Therefore, companies that partner with us are carefully vetted to ensure they meet our requirements.
